*For two part use tenor sings Tenor II on "shout all" and Tenor I remainder of phrase. Bass sings Bass I on "shout all" and Tenor II on rest of phrase. However, this is a good opportunity to train 2-part singers in four part harmony by letting them divide as written!

I got a harp, You got a harp,

The first system of the musical score consists of two vocal staves and a piano accompaniment. The vocal staves are in treble and bass clefs with a key signature of one sharp (F#). The piano part is in grand staff. The lyrics are "I got a harp, You got a harp," repeated twice. The first vocal line has a *p* (piano) dynamic marking above the first measure. The piano part has a *p* dynamic marking above the first measure of the bass staff.

All o' God's chil-lun got a harp; When I get to heav-en, gon-na
All o' God's chil-lun got a harp; When I get to heav-en, gon-na

The second system continues the musical score. It features two vocal staves and a piano accompaniment. The vocal staves have the lyrics "All o' God's chil-lun got a harp; When I get to heav-en, gon-na" repeated twice. The piano part continues the accompaniment. There are accents (>) above the notes in the vocal staves for the second phrase.

play on my harp, gon-na play all o-ver God's Heav-en!
play on my harp, gon-na play all o-ver God's Heav-en!

The third system concludes the musical score. It features two vocal staves and a piano accompaniment. The vocal staves have the lyrics "play on my harp, gon-na play all o-ver God's Heav-en!" repeated twice. The piano part continues the accompaniment. There are horizontal lines above the vocal staves, possibly indicating a breath mark or a continuation line.

Heav'n!

*For two part, use Tenor II and Bass I, as far as the word "all." From there on, Tenor sings Bass I and Bass sings Bass II. Also good training to divide into four parts and sing as written.
